| Marquee | 150 | Yes | From £7,000 |
| Exclusive hire | 150 | Yes | £20,000 |

The guest numbers stated are the maximum number of guests allowed as a condition of our health and safety policy.

Catering

Customers are invited to build their own menu from a selection of recommended dishes. As a pricing guide, menus start at £30 per head. An additional gratuity charge of 10% will be added to the cost of food only.

Venus is fully licensed, with an average bottle of wine costing £15. It is recommended to allow for ½ a bottle of wine per guest. We also stock organic juices, lager and local beers.

Exclusive Hire

The beach at Blackpool Sands is privately owned. As a result it is not normally possible to guarantee sole use of the beach during your event. If, however, you do wish to secure private access to the beach, this can be arranged with the landowner.

Access Times

As Venus is in use daily throughout the year, access to the evening venue is not possible until 6:30pm. Due to the environmental restrictions of our entertainment license, all evening functions must finish at 11:45pm, with all transport leaving the venue by midnight.

Decoration

Within the timing constraints listed in 'Access Times', you may decorate the venue to reflect your celebration theme. Decoration of the venue is not included in the price of the venue hire. You may choose to decorate the venue yourselves free of charge. Balloons are allowed to be used at Venus, however these must be weighted and must not leave the dining area.

Fireworks and Beach Fires

We are concerned about protecting the beach environment and do not usually allow fireworks or beach fires at Blackpool Sands.

Securing your booking

In order to secure your booking with Venus, a non-refundable deposit of £500 is payable. The total agreed cost is payable in full 1 month in advance of your private function.

Note: All prices quoted are exclusive of VAT.
