

Weddings

Venus at Blackpool Sands is situated in a unique and beautiful location; it is literally on the beach, overlooking the tranquil and inspiring open sea of Start Bay.

What other venue could offer such a breathtaking setting for your wedding? We aim to go above and beyond to ensure that your wedding is a truly memorable event.

The Setting

The Venus Café has four different settings depending on your requirements:

	No of Guests (Max)	Suitable for Evening Entertainment
Venus dining area	65	Partially
Venus dining area and covered deck	90	Yes
Marquee	150	Yes
Exclusive hire of the beach	150+	Yes

Venus provides the perfect setting for a wedding, come rain or shine. The enclosed restaurant provides a year-round setting for your wedding with its atmospheric fireplace for those cold evenings and spectacular sea views across the entire beach.

If you are looking to cater for up to 90 guests or wish to include a disco or have entertainment, then the Venus dining area and covered deck could be the best setting for you. With the same great features as the Venus dining area, the covered deck area provides you with the flexibility to create your perfect wedding reception – whether it is by enabling you to invite additional guests or adding some evening entertainment.

Alternatively, if you are anticipating greater numbers, a marquee in the main field provides another truly breathtaking setting for your wedding reception, allowing you to invite up to 150 guests, again with the option of adding a dance floor or room to accommodate a band.

The Catering

After finding the perfect location for your wedding reception, the next important element is to ensure that the quality of food and drink can match the spectacular location. This is something that we are confident we can do here at Venus, by using the highest quality, organic, locally sourced produce available.

Whether you are looking for an informal drinks reception with canapés or a wedding breakfast, we will work with you to create the perfect menu for your wedding, starting at £30 per person. If you have specific catering or dietary requirements such as vegetarian or gluten free, please do not hesitate to contact us.

Venus is fully licensed. An on-site bar is available between 6:30pm and 11:30pm, serving bottled soft drinks, cider, ale and lager.
